NKR 13/7

PHB 13/7

Office of the R.L.A.

Prima facie a station diary kept by a Government servant otherwise that under a provision of law is not a public document. Consequently Mr. Pagare would not be entitled to copies of extracts of his station diary. If however a process of the court is received for its production, it need not be with-held unless it contains any confidential information the disclosure of which would be prejudicial to the public interests.
